Steve:

Thanks for your efforts at the Dayton Electroplate site. I appreciate your interest in a prompt response to the security problem at the site and am glad that we could provide some assistance.

The initial information which I relayed to you from the Northeast Priority Board is incorrect. The appropriate neighborhood association is Old North Dayton, not McCook Field. I should know the time and place of their next meeting by this Friday. I'll let you know.

I am also requesting additional police surveillance of the site on a temporary basis. Are you in a position to file a complaint if someone gets caught trespassing on the property?

I'll be in the office on Thursday and Friday. Have a happy new year.
